Aroma read

Bright lemon oil folded into lavender and chamomile cream, finishing with soft pepper.

Sunday Driver is polished citrus over a soft floral interior: lemon oil first, then lavender, chamomile, and a creamy finish with just a whisper of pepper.

Limonene leads the nose while linalool and bisabolol supply the lavender-cream softness; caryophyllene keeps a gentle spice spine underneath. It reads as the bright part of a lemon peel folded into a floral cream — refined, and built for a shelf where the nose matters as much as the number.
